# My plans for you

Although of course we will heartily wish one another a Happy New Year, we have to be honest and realise that for very many the future in general, and the new year in particular, holds a great deal to be feared. War, energy costs, inflation, we've all just come through a nasty pandemic. The future looks very frightening indeed.

So it did for the Israelites in the time of Jeremiah. Exiled to Babylon, surrounded by their enemies and by false prophets, there was nothing whatsoever for them to look forward to.

And yet, in Jeremiah 29:11-13 we read this promise by God to His people: "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call on Me and come and pray to Me, and I will listen to you. You will seek Me and find me when you seek Me with all your heart." Because of our faithful God, we can truly say: Happy New Year!

**Nigel Beeton**

When your troubles are great  
And you fear so much  
When you've gone to a land far away;  
When all those that you love  
Are far out of touch  
And you're scared of the night and the day.

*"I know," says the Lord, "of My plans for you,  
"Plans for good not for ill – you will see!  
"Your future and hope in My plans for you  
"When you pray, and you call out to Me!"*

When the darkness surrounds  
And the night is long  
When the storm's blowing hard on your door;  
When your bones ache with pain  
And you feel so wrong  
And you really can't take any more.

*"I know," says the Lord, "of My plans for you,  
"Plans for good not for ill – you will see!  
"Your future and hope in My plans for you  
"When you pray, and you call out to Me!"*

When your world has gone wrong  
Though you've tried so hard  
And the ends never seem quite to meet;  
The betrayal of friends  
Leave you deeply scarred  
And it all seems to end in defeat.

*"I know," says the Lord, "of My plans for you,  
"Plans for good not for ill – you will see!  
"Your future and hope in My plans for you  
"When you pray, and you call out to Me!"*

When you seek you shall find  
If you search for Me  
You be sure that I will do My part;  
You know I will be found  
And I'll hear your plea  
When you search with the whole of your heart!

*"I know," says the Lord, "of My plans for you,  
"Plans for good not for ill – you will see!  
"Your future and hope in My plans for you  
"When you pray, and you call out to Me!"*

# A Letter from Helen

Let me start by wishing everyone a blessed 2023

We start the New Year with the season of “Epiphany” where we will be looking at a theme of “Overflowing – Year of Generosity: Our Generous God”.

We have a 4 week sermon series starting with:

- The Visit of the Magi: God’s gift – our worship
- Baptism of Jesus: Immersion in the generosity of God
- Wedding at Cana: A kingdom of overflowing generosity
- Jesus, Simeon and Anna: The joy and cost of participating in God’s generosity

Some really interesting topics for worship and things to ponder on as we start this New Year.

Many people will have started 2023 with resolutions to change things for the future. I would encourage people not to give things up but rather take up something new. Have you got a talent that you haven’t yet used? We are always looking for musicians and singers for morning worships. The pantry and outreach events are looking for helpers especially with the new warm spaces. And even something as simple as joining a church cleaning rota every few months can help. There are lots of jobs to be done and all present the opportunity to meet new people and to serve our God in new and exciting ways.

It is more Blessed to Give than to Receive: the more we Give, the More God Blesses!

Let this year of generosity bless all our churches in 2023.

A massive congratulations to Eth Yates who was commissioned as Local Mission Leader at St Peter's on 4th December. We thank God for the gift that Eth is to us all in Wigan South and pray that she continues to be guided in her service.

## Magazine Costs

Much of the production of the magazines is done by a network of amazing volunteers who gather information, print and deliver each edition. However, understandably, there are also elements of the production of these magazines which incur a cost.

We have seen a recent increase in the costs associated with the production of the magazine and this is something that is to be reflected in the price of the magazines. Therefore, the price of the magazines going forward shall now be 70p. As always, copies of the magazine shall always be available on line for you to view.

We also recognise that December - when we prepare the January magazine - is such a busy month (which is a wonderful problem to have!) and January, much quieter, and therefore we shall be reducing the number of editions to 10 a year. This means all important information shall be given in advance in bumper December and July editions, allowing for a winter and summer break. This shall also hopefully mean those printing and delivering the magazines shall not have to do so in the worst weather!

We very much continue to encourage and welcome contributions from everyone to the magazines so please do get in touch. And thank you to the wonderful volunteers who get them out the door every month!

## Light! Sunbursts of light!

Our Team Rector, Neil, sees the Christ light of hope burning brightly across Church Wigan even through a difficult winter.

Taking place during the darkest days of the year, the ancient tradition of Advent has always drawn on images of light and darkness, recalling Isaiah's prophecy of great 'sunbursts' of hope for those living in shadow and the Fourth Gospel's poetic description of Jesus as an unquenchable light. Advent is a bright candle in the gloom of our present difficulties, and its focus on Christ's Second Coming, when he will usher in the new creation where there will be no more sickness, or tears, or even death, helps us remain watchful and hopeful even when circumstances seem to point only to disappointment and defeat.

Certainly, the Advent imagery of 'light! sunbursts of light!' illuminating the deep shadows of our current situation is apt for us in Church Wigan this winter. The cost-of-living crisis is already tightening its fearful grip on many; yet our pantries, 'Warm Spaces' and diverse hospitality offered by the church are blessing a host of neighbours both young and old. The desperate legacy of Covid in the church has been, generally, to wither Sunday attendance and traditional sources of income; yet where the church is reaching out to its neighbours in practical demonstration of God's love, there is more growth than we've seen for a long time. Moreover, income for ministries such as our 'Lifted' social justice network and Wigan Next Generation has been staggering. Light is shining brightly despite the darkness.

Difficult days are ahead, for sure. The Right Buildings Review has begun and while it is desperately needed, it will inevitably bring us some heartbreak and lament. But let the stories of hope stir up our faith that God will be with us on our journey through the shadows.

# January Holy Days

## **6th January: Gold, frankincense and myrrh for the infant Jesus**

Epiphany is also known as 'Twelfth Night', or the last night of the Christmas festival. According to the song, it is also the day when that over-enthusiastic 'true love' of yours dumps no less than 78 presents on your doorstep, among them a dozen leaping lords of the realm and a final partridge – to go with the 11 you have already been given.

In many parts of the world, 6th January is celebrated as Christmas Day. As we Western Christians are packing away our tree, the Greek Orthodox world and Catholic Spain are giving presents and celebrating the wise men, or magi. For what better time to give presents to each other, than on the day the wise men presented gold, frankincense and myrrh to the infant Jesus?

What do we make of these presents? Gold is for kingship, proclaiming a royal child. Frankincense carries a feeling of worship about it: it was used in the temple worship and indicated access to the presence of God. Frankincense is thus for worship and incarnation.

The third gift, myrrh, finds its place at Calvary. After the crucifixion, Nicodemus and Joseph of Arimathea prepared Jesus' body for burial, using myrrh as an embalming fluid. Thus, when the wise men visit the baby Jesus, the shadow of the cross already falls across the crib. But myrrh is also symbolic of love, so you could say that the third gift is about adoration as well as death. And Christ's death on the cross is for love of the Church, His bride.

As for the magi, they were not Jewish grandees, but foreign Gentiles. And so it was clear, from as early as the manger in Bethlehem, that Jesus was not just the Messiah for the Jews, but the Saviour of the whole world.

## 1st January: The naming of Jesus

Matthew and Luke tell how the angel instructed that Mary's baby was to be named Jesus - a common name meaning 'saviour'. The Church recalls the naming of Jesus on 1st January - eight days after 25th December (by the Jewish way of reckoning days). In Jewish tradition, the male babies were circumcised and named on their eighth day of life.

For early Christians, the name of Jesus held a special significance. In Jewish tradition, names expressed aspects of personality. Jesus' name permeated His ministry, and it does so today: we are baptised in the name of Jesus (Acts 2:38), we are justified through the name of Jesus (1 Cor 6:11); and God the Father has given Jesus a name above all others (Phil 2:9). All Christian prayer is through 'Jesus Christ our Lord', and it is 'at the name of Jesus' that one day every knee shall bow.

# News from our churches

## **Toys and gifts**

This year thanks to the amazing generosity of St Thomas's congregation we were able to supply 3 toys/gifts to 68 children aged 0-18yrs from the 2 homeless units, 2 women's aids, Stay Well centre and children of asylum seekers. As well as these 68 children we were able to give loads of toys for the food bank and pantry who are in a position to identify local children in need. All these children are very unlikely to receive any more presents this Christmas, so your contributions are vital. I received this message from Susan Smith-

"The scheme I work at have benefitted from your donations over the years I can't put into words how grateful we are. Faces light up when we give gifts to families who are homeless and stressed and worry how they can afford a gift for their children. Thank you"

Once again thank you for your continued support.

***Patricia Hamilton***

Pat came to the service at St Thomas's on 11th December and gave an explanation to the congregation of the children who would benefit from the gifts and the joy which the gifts will bring to them. She also expressed her thanks on behalf of the team working with these children and their families. Pat has been organising the distribution of the gifts following our annual Toy Service for more years than I can remember and deserves our grateful thanks for all that she does.

## **Finance**

We face the beginning of another new year with continued difficulties we hope and pray that the worse effects of the covid pandemic are behind us but ahead we face the cost-of-living problems, and the energy price hikes. It is against this background that once again I am including this reminder of our dependence as a church on our church members for our finance. We are all having to give serious consideration to our personal budgets looking to the year ahead. Can I urge you

to also reconsider your personal response to your donation to St Thomas and St Luke's. If you use our envelope scheme and we are very grateful for your regular offerings, new sets for 2023 are being distributed for use in January.

The Parish Giving Scheme has been of great benefit to our church finances since it was set up a few years ago. The schemes can be commended for its advantages to the church. This scheme involves a payment direct from your bank in the sum that you decide however, if you are a taxpayer, we receive the gift aid tax refund within ten days of your monthly donation being received rather than having to wait for the completion of the annual claim at the end of the tax year. It also assists the Treasurer knowing what funds will be available. It is never too late to sign up to the scheme, I will be delighted to give you any additional information that you require as will Sarah and Phil our Treasurers.

### **December events**

The month of December, Advent in our church calendar is a busy time in our churches as we prepare to celebrate the arrival of the baby who changed the world for ever.

We can look back on several events through the month, the Christmas fayre showing our church building and our people at the very best. The wreath making, the afternoon teas and the Snowman drive at St Luke's. A lot of effort by the people arranging these events and much enjoyment by all taking part. A thanks also to Maurice and Allison Smith for throwing open their home for a series of Advent celebrations in the afternoons and evenings.

The magazine will go to print before many other of our Christmas services and activities will have taken place but I would just like to thank all who arranged, attended or took any part whatsoever, where would we be without you!

A special thanks to Jess our editor for a wonderful monthly magazine produced by her hard work and dedication and finally I wish you all a happy and healthy New Year and a thanks for taking and reading our magazine.

**Malcolm**

Our resident historian David Fearnley has penned another article reflecting on the past of our town and its people.

204 of the 250 miners were killed leaving 93 widows and 282 orphans. Many of the deceased could only be identified by their clothing or pocket watches. The majority of the miners came from Haydock and some from Ashton and Newton. 11th – 16th June there was a continuous procession of horse - pulled hearses as 42 of the deceased were buried at St. Thomas', Ashton.

Many families lost several members since many of the younger boys were employed as pony drivers or as drawers working alongside their elder brothers or fathers taking full tubs of coal to the haulage and returning with empty tubs. The explosion was the result of a great inflow of gas, probably due to a roof fall, the cause of ignition was not determined. A relief fund was set up by Lord Derby, of Knowsley Hall, Liverpool, which raised £25,000 (£2 million, today).

### **THE WOOD PIT, HAYDOCK, DISASTER 7/6/1878 (Part 1)**

A gravestone within the Warrington Road graveyard bears the tragic inscription - "In Memory of Catherine, wife of Nathan Boon, who died 24/3/1877 aged 42. Nathan Boon, aged 45, Isaac their son aged 21, John their son, aged 19, Thomas their son aged 18, William their son, aged 16, Joseph their son aged 14. Who lost their lives in the Wood Pit Explosion June 7, 1878".

The Wood Pit, on Vista Road, was owned by Richard Evans & Co., of Haydock. On the morning of June 7th 1878 250 men and boys began their shift at the Wood Pit. At 11am there was a terrific explosion below ground due to an ignition of firedamp/gas. The force of the explosion ran along the underground workings and up both the down and up shafts sending smoke and dust into the sky. Underground was a scene of carnage with mutilated bodies and ponies scattered throughout the tunnels and coal tubs embedded into the roof of the workings. Those not killed by the explosion succumbed to the afterdamp of poisonous gas produced by the burning gas.

# Mothers' Union

In accordance with our usual tradition there will be no meetings in January; however looking forward to our belated Christmas meal for members and friends at Bryn Masonic Hall on Friday 27th January, this is one week later than our usual date. The time for the event is 7.00pm to dine at 7.30pm. I look forward to seeing everyone there and if you haven't done so already please let me have the £21.00 cost of the meal and your menu choice no later than 8th January.

## **Advance Notices**

Saturday 11th February is our Brunch in the Church Hall from 11.00am to 1.00pm. We will be having our usual raffle, cake stall and tombola. As always, we do rely on contributions from our members and of course your attendance at the event. Both are greatly appreciated.

Wednesday 15th February in St Thomas' Church Hall, our Annual General Meeting starts at 7.30pm. This meeting which is open to everyone gives a real opportunity for anyone interested in finding out more about the organisation and in particular the work of our branch. You can discover that the MU is active not only here at St Thomas but also more widely in the Deanery, the Diocese and overseas.

A generous response once again from our members to the provision of Christmas Presents for the residents at Coops Foyer. They were very welcome and as always very much appreciated. A big thank you from me and from the recipients.

I am aware that not all our members have had the opportunity of letting me or Pauline our treasurer have their subs for the year and it would be of considerable help if they could be paid as soon as possible. In turn a big thank you to all those who have already paid.

## Reflection

The circumstances which unite people together are various whether supporting the same sports team, espousing a political ideology, bonding over a shared life event, matters of faith and many more. It is more difficult however, to work for or sustain unity where differences exist between individuals and Groups. But God calls us to live together in unity and knowing our struggles, sends us the Holy Spirit as our Helper. So at the start of a new year we can make a resolution to pray for and pursue unity, knowing we have the power of the Spirit to help us

***Wishing you a healthy and happy New Year  
Love and God bless  
Barbara***

# Donations Information

**Regular Giving:** We have traditionally taken envelope donations in our plate offerings and these monies help towards the payment that has to go to the diocese each month. If you are unable to get to a service and wish to still use your envelopes, please deliver them, to Malcolm and Barbara's (32 Townfields). In the alternative, please consider switching to the Parish Giving Scheme by phoning 0333 002 1271 as we can get the tax back much quicker this way.

**Donations:** Please place any donations in an envelope with your full name and amount written on it. Please post this through the Vicarage door. Please make cheques payable to St Thomas' PCC. If you want the donation to be for something specific, please write clearly on the envelope.

**Gift Aid:** If you pay tax in the UK and would like church to be able to claim 25p for every £1 you donate, please complete a Gift Aid form or state on your envelope that you are a UK tax payer, would like church to claim Gift Aid and include your full name and address.

**Wills and Legacies:** If you wish to discuss any issues around Wills and Legacies please ring the Parish Treasurer, Sarah Riley, on 01942 722747.
